

## Press Release

# KTS S.C. introduces Kiosko.net 1.0 - iPhone visual daily press directory

Madrid, ES Apr 02, 2010

With Kiosko.net for iPhone you can access the frontpages from all of the most important newspapers around the world. Updated daily to be up to date you can read the frontpages just as they are available. You also have direct access to newspaper's web site without leaving the app. Intuitive and agile user interface. It is also integrated with social networks and you have off-line access to your favorite frontpages.

## FOR IMMEDIATE RELEASE

Burgos, Spain - March 30, 2010 - KTS S.C. releases Kiosko.net 1.0 for iPhone and iPod touch. Kiosko.net is a visual daily press directory that gives access to the world's largest news sites and displays a readable image taken from today's frontpage cover of each newspaper. The app brings you the opportunity to access all this information wherever you are.

In Kiosko.net you can read the frontpages from nearly 1200 newspapers around the world. With an intuitive interface you can reach to any newspaper with very few finger taps. Is also provides powerful search and navigation aids.

With the favorites management tool you can maintain a list of the newspapers you most often read and access them directly on every app run. Kiosko.net will download the favorites newspaper's frontpage whenever they are available and save them to allow you to read them even without being connected to the network.

### Main features include:

- \* Favorites newspapers management
- \* Fullscreen portrait and landscape view
- \* Social networks integration to share your thoughts about frontpages
- \* Powerful search tools
- \* Intuitive user interface

### Device Requirements:

- \* iPhone and iPod touch
- \* Requires iPhone OS 3.0 or later
- \* 2.9 MB

Kiosko.net is now available worldwide for an introductory price of US \$1.99 in the U.S., with equivalent pricing in other regions. Kiosko.net can be downloaded from the iTunes App Store.
